I have copied these folks to let them know about your plans.

For your trip I recommend:

<http://www.sadieshotels.com/sadiesbythesea.html> (not Sadie Thompsons Inn)

It is a newly re-modeled hotel, on the beach, very convenient for your work.

Tips: You must have a passport that will not expire during your stay. Hawaiian Air will not let you on the plane without your passport. Bring a hat and sun-block.

If you have any other questions, please let me know.

SubjectMonitoring fishwaste in Am Samoa

Hi, Allan and Carl

My itinerary to install and calibrate the monitoring equipment on the Blue Moon is:

Sunday Sept 21st arrive in PPG 9:30 pm

Thursday Sept 25th depart PPG 11:20 am

I'm not sure who the contacts will be in Am Samoa, so I need your help. Could you please let them know when and why I'll be there?

I also need help with contacts for a place to stay. Would you or they have that information?

Thank you
